

# DREAM ONE

The most emblematic coffee machine in our range for Home.

Without touching a line of its daring retro aesthetic silhouette and its world of colours, Dream has upgraded its technology to get the perfect cup at home. A machine built with the highest quality materials (aluminum, stainless steel, brass), and a minimum use of plastic.

A dream machine!.

**Thermodynamic group. Thermal stability.** Quality in cup. Less limescale build-up. Stainless steel circuit reduces limescale build-up. Unlimited steam.

**Healthy 100%.** AISI 316 stainless steel water circuit. No metal migration in water. Complies with European standard EN 16889.

**Clean water.** Here it is constantly renewed and clean for every coffee. The taste and smell of the coffee are unaffected.
